Conclusion

- Domestic Violence - Priority
- Other than correlations to economy, it is estimated that over 80% of our crime is directly or indirectly related to drug activity – Priority (DMI)
- Enhanced training for officers related to mental health incidents - Priority
- Community Integration and Service Enhancements – Ways to reach a broader cross-section of our community with Education and Crime Prevention (Social Media, SAFER CITY, White Collar Crimes) - Priority
- Continue strong strategic and selective traffic enforcement efforts related to speed and DUI - Priority
