KELVIN TAYLOR

5A-4A-3A-2A Player of the Year ■ Glades Day senior

Pos.: Running back
Ht./Wt.: 5-11, 215
Statistics: 2,423 yards, 42 touchdowns

Season highlights

Taylor started his final season with a bang, rushing for 314 yards and three touchdowns in Glades Day's 28-23 win against Miami-Monsignor Pace. He would rush for at least 200 yards in five more games during the regular season, leading the Gators to the District 7-2A title.

Comment

Taylor, who graduated this month, fell short in his quest to lead Glades Day to a third state championship during his record-setting career, which began when he was an eighth-grader. He finished with 11,380 yards rushing, shattering the previous career state record. Since the national record book acknowledges only statistics compiled starting in a player's freshman year, Taylor is credited with 9,836 yards, which ranks him No. 6 on the nation's all-time career rushing list. He scored 192 touchdowns in his career, another state record, and will sign with the University of Florida in February after enrolling in January. When he burst onto the scene five years ago, he was often referred to as the son of NFL star running back Fred Taylor, but Kelvin made a name for himself as one of the state's greatest running backs. He was named the state's Class 2A player of the year, was the Groza Award winner as the county's best player and was runner-up for the state's Mr. Football award.

"It's been the greatest experience," Taylor said of his high school career. "The offensive line did a great job for me throughout my high school career. Coach [Pete] Walker and all my coaches were great. I had great teachers, too, just great people all around me, my family, my mom, my dad, everyone. . . . I have a lot of great memories. Now I'm ready to go to Gainesville and make my own name there. I'm ready for college, but I know I have to start all over there just like I did in high school."
