3. Reasons for above bail/bond and special condition recommendations: Defendant was on felony probation

for two felonies at the time of this offense. By possessing a firearm, the defendant was in violation of federal and state law. The defendant was also using K2 substances in violation of federal and state law. The defendant's state probation was revoked after these events based upon the defendant's admissions to technical violations and his request to be remanded to DOC. Based upon the defendant's blatant violation of probation conditions there is no reason to believe he will abide by bond conditions for release.

Respectfully submitted,
